

Dear Parent

As you may have seen in the national press the London Mayor is funding school meals for KS2 pupils in all London schools for a 12 month period starting from the 4th September 2023 through to the end of summer term 24th July 2024.

This welcomed initiative will place additional demands on the school meals service and with the short period to make adjustments we are running a trial day on **14th July 2023** within your school whereby the meal on this day will be free to all children so that we can ascertain the likely uptake of meals in September and ensure the service runs as smoothly as possible with the increased demand for meals.

We would like to encourage as many children as possible to have a meal on this day.

You can check the menu for this day on our website or the Kafoodle app (QR Code below) where you can also check the allergen and ingredient information for the menu
