- 4.4.20– EASTER HOLIDAYS
- 20.4.20– FIRST DAY BACK AT SCHOOL

Dear Parents,

We have reached the end of another half term here at Brady and the staff and I want to say a huge thank you to all of the parents for your support with all of the events we have held. We also want to say a huge well done to all of the children for their excellent work this half term.

Once again, the children have been praised for their behaviour outside of school on various trips and sporting events. They always do Brady proud.

We have been doing a lot of work as a school around our 'Core Values' of Dedication, Inspiration, Respect and Achievement. One child from each class has been chosen this week as someone who always shows Respect for everyone across the school. Due to the outstanding behaviour in the school, this has been a really hard choice for the teachers. These children will be coming home today with a postcard from me to say thank you.

Michael Nunn
Headteacher

Brady Website and Twitter

As a school, we work really hard to communicate with parents and families of all children and have been doing this for sometime through the platforms of Twitter and our website.

Teachers spend time creating their class web pages weekly and they are definitely seen but rarely commented on. Could I please take this opportunity to urge you to take a minute to comment on the pages that you look at. Not only does it mean a lot to the teachers, it also means a lot to the children when they see their work/ pictures commented on by members of their family.

FOB

I would just like to say a huge thank you to all of the FOB for their hard work this half term culminating in the discos this week.

I would also like to inform all parents that in the interest of preparation for these events, payments will not be taken within three days of the event. This gives us a chance to get the event prepared and resourced in time.

Thank you.

INSETS DAYS (SCHOOL CLOSED)

June 1st
July 22nd

Homework Exhibition

I would like to say a huge thank you to all of those children who completed their homework this half term.

We had some really amazing pieces of work produced. We did find that we had more from Key Stage 1 than from Key Stage 2– so I am starting a competition next half term that the child who brings in the best homework from each class will win a prize from me and get to share their work in the star of the week assembly that Friday.
