

BRADY NEWSLETTER

18th September 2020

Dear Parents,

We have come to the end of the first full week back at school and as a Headteacher I feel really proud of everyone in the Brady Community. The staff have been excellent and the support from the parents has been a huge benefit to us. The systems are working well and everyone has pulled together which is immensely pleasing.

My biggest shout out must, however, go to the children who have settled into what is the new normal brilliantly, its so nice to have them back in school, working hard and having fun. Brady finally feels and sounds like a school again.

We know we are not at the end of this road yet, with the news around the number of cases rising and the lack of testing available everywhere you look, so we must work as a team to remain vigilant and focussed in what we want to do; that is keep everyone safe, healthy and learning.

Thank you again for all of your support through this challenging time and I hope you all have a wonderful weekend.

Michael Nunn
Headteacher

Seesaw Online Learning

Seesaw is a secure online journal where students can document and reflect on what they are learning in class. Your child will be able to add the things we work on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal which teachers will be able to view and comment on throughout the school year.

A text message was sent out with the consent form attached earlier on this week. If you have not done this yet please do it as we feel as a school it will be a really beneficial tool. If you are having trouble acing the link please do let us know and we can send it again.

Uniform

As the weather is changing and getting colder, it is more than fine to start sending your child to school in winter uniform. If you are unsure of what the uniform is or looks like please refer to the home school packs or ask the office.

School ties are available from the school office, once again please wear a face covering any time that you enter the school building.

Birthday Sweets

I have had a few questions about children bringing in sweets or cakes to celebrate their birthday with the class.

Unfortunately at the moment due to the regulations this cannot be completed in school, either in the classroom or on the school grounds due to the risk of transmission of the virus.

INSETS DAYS (School closed)

**Monday 4th January
2021**

Tuesday 18th May

Friday 23rd July
