

Childhood

Year 1 Homework Map- Spring 1

In Year 1 our topic is Childhood! Here are some examples of possible homework that you may wish to complete with your child. Please feel free to complete another task that is not stated on this list. If you would like any clarification about our approach to homework please feel free to ask. Please bring any evidence of your homework into class before February 3rd 2023.

Here are some pictures of toys that were popular in the past. Name each toy and write a sentence to say how these toys are different from the toys that you play with.

Speak to older members of your family to find out how their childhoods were similar to or different from yours. Ask them about a range of topics, such as toys, food, home and school. Draw pictures or write some sentences to record what they say.

Create a poster about the numbers 1-20. Can you include some addition facts or part-whole models? Can you recall your doubles facts?

Ask an adult to help you to find photographs of your local area in the 1950s. Look carefully at the photographs and talk together about how the area has changed and what is different from how it looks now, including transport, shops, people and houses.

Create a family tree and bring it in. You can add pictures, descriptions or just names. Decorate this as much as you would like! 😊

Create a poster about the different stages of human life. Use the following words to help you organise your poster; adult, baby, teenager, child, elderly, toddler

Weekly Homework

- Spellings
- Reading
- We would also like to encourage you to access **NUMBOTS** regularly to help develop children's mathematical understanding. Weekly rewards will be given out based on progress, minutes played and the amount of correct answers. You will find login details in reading records.

NUMBOTS
