

Maths

We will be revising our use of fractions this term and will be:

- Simplifying and identifying equivalent fractions
- Converting improper fractions to mixed numbers
- Comparing and ordering fractions with different denominators
- Adding and subtracting fractions and mixed numbers
- Multiplying fractions
- Dividing fractions by whole numbers
- Finding fractions of amounts

Towards the end of this half term we will be revising our use of measures and will be converting between metric and imperial measures.

Topic

- In DT we will be looking at a range of bridges and using different ways to strengthen our own.
- In Science we will be looking at how living things are classified including micro-organisms.
- In Geography we will be studying the Arctic and Antarctic and looking at the vegetation and human features of the area.
- In History we will be learning about the story of the Titanic and finding out what life was like on board.

English

This term we will be looking at a range of poems and creating our own sonnet.

We will also be looking at the key events from the Titanic disaster and writing a newspaper reporting on this.

For reading we will be reading "Kaspar Prince of Cats" and will also be looking at a range of non-fiction texts.

P.E

- P.E will continue to be on a **THURSDAY**
