Walk to School Week – 19th – 23rd October

Dear Parents,

On the above dates Brady Primary will be holding a Walk to School week and all children are invited to take part.

Tomorrow, your child will bring home a walking diary which will have different activities for them to complete for each day they walk to school. All children that take part will also be given stickers during the week and a walk to school badge at the end of the week.

We understand that some families live too far away to walk all the way, and if this is the case for you and your child, then all we ask is that you park a bit further away from the school and walk for at least 5 minutes to get to school, something that we would encourage every day if you need to drive your child to school.

Walking to school is not only great exercise for you and your child, but it also gives them the opportunity to socialise with their friends before school and makes the air around our school cleaner and healthier.

Please remember if you do need to drive your child to school that double yellow lines, zig zags and other parking restrictions are there to protect the children that attend Brady Primary.

Parking on these restrictions can cause obstruction and unnecessary accidents so please do not park on them.

We would like to thank you all for your continued support and we hope that you and your child will take part in the Walk to School week.

'Inspiring teaching for ambitious learners'
