The Outdoors Project is a place for children to spend time outdoors, go on mini-adventures and enjoy active, imaginative play. The main focus is on one thing: having a brilliant time! Our carefully designed activities are not only exciting and engaging, but also help children develop valuable life skills along the way. Our mission is simple: for every child to have the best day ever, making core memories, staying active and going home with rosy cheeks and a big smile!

All clubs are Ofsted-registered and aimed at children in Primary School (ages 5-12).
