

# BRADY NEWSLETTER

1st April 2021

Dear Parents,

Wow, what a term it has been. Hearing on the news last December that the school would be going into lockdown again, seems like a distant memory now. We have been through remote learning and re-introducing the children back into school since then, and it has been a lot of hard work for everyone.

For that reason, the first thing I want to say is a huge thank you and well done to all of the pupils, parents and staff of the school. We have all learnt new things and grown together over the past few months and your support has been felt by the school and we thank you for that.

We are now fully settled into the brand new building, with all building work complete except for the transformation of the Reception garden into astro turf which will be happening at Easter. This would have happened sooner if we had not had a large portion of this astro turf stolen in the middle of the night in February.

We have finally begun to be able to hold outdoor activities (through our Risk Assessment) for the parents and children to celebrate together with the Easter Bonnet Parades and the Easter Egg Display. The events were very well attended and we thank you for that support. Hopefully, soon, the Risk Assessments and the world we live in will be one where we can invite you all inside to celebrate the building with us.

However, just to keep you going I have attached a sneak picture of part of our new Trevor Bradbury Memorial Library, a library that is woodland themed which was one of Trevor's huge passions.

Have a wonderful Easter break and we look forward to welcoming you all back to school on Monday 19th April 2021

### Reading Book Plea

Over the course of the Easter break could you please check through your house as we have had a large number of books go missing through the course of both lockdowns. This has meant that we do not have the wide range of books available to send home with the children that we used to have.

If you could please check through at home and if you manage to find any bring them in and place them in the box in the office area after Easter that would be a huge help to us.

Thank you
