

Emotions Board Game

Instructions

Roll the die and move your game piece that number of squares. Read the emotion written in the square and say a time when you have felt this emotion e.g. I feel happy when I am riding my bike.

The game can be for 2-4 players. The first player to get to the end wins!

Emotions

The board game consists of a central circle divided into 24 segments. The segments are arranged in a grid with four semi-circular paths starting from a 'Start' box and ending at a 'Finish' box. Each segment contains a cartoon character with a specific facial expression and a label for that emotion: happy, sad, angry, surprised, scared, or excited. The colors of the segments and characters vary to distinguish between the emotions.
